Re: Notification of Hazardous Waste Site

Gentlemen:

In compliance with Section 103(c) of the Comprehensive Environmental Response, Compensation & Liability Act of 1980, attached are the updated "Waste Disposal Site Survey" provided to the House Interstate & Foreign Commerce Committee in 1979 and Form 8900-1 for

Mobil Chemical Company
Chemical Coatings Division
Kankakee, Illinois 60901

EPA ID# ILD002525723

In preparing the data contained in the enclosures, we have made inquiries of individuals and reviewed Corporate records and files reasonably available to us. While all sites identified in that review are reported herewith (unless exempt, e.g., RCRA interim status), it is possible that some locations, such as very old sites owned or operated by Corporate predecessors or others, may have been omitted inadvertently due to the lack of current records or information.

Yours truly,

MOBIL CHEMICAL COMPANY
